### Tavern Night

-----

Next week's Tavern Night will be held at the Mazewood Tavern in the Felucca lands on June 27th. July 4th is the following week and the

Republic of Magincia gets it's turn at tavern night. We do not have word whether it will be held on Monday or Tuesday night as of this moment.

### Current News

-----

Queen of Zhah of the gargoyles Royal City has been distressed as of late, concerning the return of the most formidable and horrid servant of the Void. Named Scelestus the Defiler, this daemon proved invincible to any weapon or spell wielded against him. The daemon was ultimately imprisoned on the hidden Athenaeum Isle. The queen has deployed a regiment of troops to the isle in the past few days. We will report on further developments as we receive word from our contacts in Ter Mur.

### Town of Yew

-----

On June 19th, 1998 A group gathered at the famed Serpent Cross Tavern and spoke of forming a town council for the Town of Yew.

This past Sunday marked  
the 13th anniversary of  
the organization that  
many people and guilds  
were apart of over the  
years. Happy Birthday  
Yew!

By Giles Freeman,  
Reporter.

YEW ABBEY: I remember  
the day I found them, a  
stack of hide-bound books,  
soaked through in the  
rain. The monks had  
thrown them from the  
library, but whatever  
scribe had been tasked  
with this had cared for  
the books in the end and  
covered them in a tent  
of leather as they lay  
there for someone to  
find. That someone was  
me. I picked up the books  
and carried them home,  
dried them carefully in  
wool cloth by the fireside  
as the storm bore down  
upon the City of Yew.  
When I opened them, I  
found out why the monks  
had cast these books out.  
It was raving madness,  
the loose hand of a  
drunk, the sort of  
"literature" known  
popularly as a "lie-bill,"  
those plastered handbills  
that litter the landscape  
giving salacious details  
about public figures. It  
was all written by  
Garrett Granth, once a  
proud Guardian of Lore,  
now reduced to drunken  
debauchery and running a  
wretched "publishing  
company." The tale told  
was, to me, at the time,  
nothing more than mad  
conspiracy-mongering. He  
claimed many things about  
the upcoming King Addie,  
Or Adamu Wellings.  
Wellings had been kept  
safe by the mysterious

Time Lord after the  
destruction of Magincia.  
Granth had gone to great  
lengths to uncover scraps  
of paper and fact  
surviving the destruction  
of the Isle, and these  
few pieces had led his  
whiskey-addled mind to  
an astonishing conclusion:  
That Adamu Wellings, soon  
to be crowned King of  
Sosaria after a bitter  
debate in the castle  
proper, was in fact one  
of these mysterious Time  
Lords, or some tool or  
servant thereof! Most  
rational folk, myself  
included, shook off these  
rambling claims. Wellings  
was chosen by The Crux  
Ansastra, by Danica  
herself, and had proven  
himself above his origins  
- being found by a Time  
Lord in a Temporal  
Vortex - time and time  
again. So imagine my  
surprise  
reports came in from the  
Crowning. So shocked was  
I that I dropped my  
dinner to the floor and  
spilled the ale! The  
Crowning had been  
interrupted by none other  
than the Time Lord, who  
had taken those assembled  
on a wild chase through  
the Realms of Mana and  
Void, finally revealing a  
horrific result: That  
Adamu WAS the Time  
Lord, displaced through  
space and time via his  
own incomprehensible  
powers! The ramblings of  
the madman made sense  
in this light, and the  
once-young Adamu, now  
aged and infirm, made his  
way to the Magincia he  
loved as a youth, where  
he shall watch it become  
a town again. The boy  
who would be king, a Time  
Lord? The drunk who

none believed, now  
correct? The babe  
found is now an old  
man? This reporter does  
not know what to think  
anymore. Throw away  
what you believed, dear  
reader, for it is most  
certainly wrong!

#### This Month's Horoscope

-----

The Peddler-January  
Good luck is on your side  
today, because you're  
tapped into a sense of  
higher purpose...jacking up  
the prices on your Luna  
vendors.

The Mongbat-February  
People will be watching  
you more in the following  
days...most often at the  
bank..pointing at your  
crappy armor.

The Phoenix-March  
Remember. Others admire  
a person who is  
straightforward and  
genuine. Work on faking  
those qualities and you'll  
earn tons of respect.  
The Sea Dragon-April  
Today is a good time to  
be bold and take chances.  
See that thing over  
there? Go poke it with  
a stick.

The Hermit-May  
Try to make it a point  
to improve your memory  
skills or write things  
down more often. All  
your plants are dead

The Llama-June  
In dealing with others,  
forget about winning or  
losing, and seek a  
compromise instead. Ask  
the other person what  
they need to feel  
comfortable and listen  
carefully when they  
answer. When their

guard is down, grab all  
their cool stuff, and run.

The Ancient Wyrn-July  
You have the attention  
of a certain person.  
You'll build this person's  
excitement and  
anticipation by not asking  
for what you want right  
off the bat. Then at that  
moment, you will strike  
and crush that  
person's dreams.  
The Anvil-August  
The routine gets boring.  
That is, until you arrive  
on the scene to provide  
refreshing alternatives  
...and booze.

The Weaver-September  
It's time to start  
rebuilding some of those  
bridges you burned lately.  
Stupid Pyromaniac!

The Wisp-October  
Grampa's running around  
the neighborhood naked  
again. Looks like It's  
your turn to bring him  
back.

The Unicorn-November  
You've never been the  
type to believe in love at  
first sight, or anything  
else even slightly  
romantic, for that  
matter.

The Wanderer-December  
Tonight, supper will be  
waiting for you. A dish  
of roasted chicken with  
potatoes. A fresh baked  
apple pie is cooling. But  
someone forgot to goto  
the  
local tinker and get more  
plates. That's when the  
fightin' starts.

Figure out which month  
you were born on, to  
know your sign.

From the Staff

-----  
We all hope you have  
enjoyed this issue of the  
Yew Times and  
hopefully many more will  
come. The next issue will  
be next week or the  
week after. We will be  
working on a place for  
you to buy back issues  
or to submit news  
some time in the future.
